The MSU EDA University Center for
Regional Economic Innovation presents our
2013 WEBINAR SERIES

Tom Deits, Ph.D.
Project Director

Katie LaCommare,
Ph.D.
Lead Student
Facilitator

Tom Deits has been active in K-20 education, informal education and workforce development for his entire career. In education he has served as Chair of the Science Department at LCC and as program manager for the NSF Regional Center for Nanotechnology Education, Nano-Link.

Katie LaCommare has 15 years experience as a science educator and program director. She is very active in both her teaching and director experience.

The Innovation 5 Project is a co-learning effort of students and faculty from MSU and LCC to develop a plan for a community-oriented rapid prototyping facility integrated with the Impression 5 Science Center in Downtown Lansing, MI.

The Innovation 5 Project:

Advancing Economic Development through Entrepreneurship, STEM Promotion and Fostering Innovation and Collaboration, Impression 5

Tom Deits Ph.D.
