The MSU EDA University Center for
Regional Economic Innovation presents our
2014 WEBINAR SERIES

David Bieri is Assistant Professor of urban and regional planning at the University of Michigan, Ann Arbor. His main research and teaching interests are at the intersection of public finance and economic geography.

This webinar will address the implementation of a database to track the effects of TIFs, as Dr. Bieri points out; there is an "absence of standardized information for making meaningful fiscal comparisons" in Michigan.
